

Setting Course Entry Point

This tutorial shows you how to select the area which will be the “homepage” for your course. In Blackboard 5.5 the course entry point is set at Announcements. In Blackboard 6.0 you have the option to change the course entry point to any navigation area.

- 1 From the **Control Panel**, click on **Settings**.

- 2 Next, click on **Set Course Entry Point**.

▶ **Set Course Entry Point**
Select the entry point for this course.

- 3 To select a new course entry point, click on the down arrow next to **Entry Point**. Highlight the navigation area you would like set as the **Course Entry Point**.
