

Deploying Your Survey

This tutorial will demonstrate how to make your survey available.

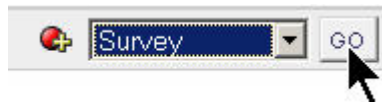

- 1 To deploy a survey, click the section under **Content Areas** where you want your survey to be.

- 2 Click on the drop down menu and choose **Survey**.

- 3 Then click **GO**.

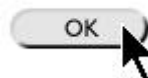

- 4 Select the survey you would like to deploy.

- 5 Click on **Submit**.

- 6 Click **OK**.

- 7 Click on **Modify the survey options**.

Modify the survey options
Modify the survey options, such as availability and feedback

8 To deploy your survey, click **Yes** next to the question "Do you want to make the link visible?"

2 Survey Availability

Do you want to make the link visible? Yes No

- Allow multiple attempts:** Permit students to take this assessment multiple times.
- Force Completion:** Students must complete the assessment the first time it is launched.

9 Scroll down and select the desired options for the survey.

4 Survey Presentation

Presentation Mode:

- All at Once:** The student is presented the entire assessment on one screen
- Question:** The student is presented only one question at a time
- Prohibit Backtracking:** Prevent students from returning to questions they've already answered.

10 Then click **Submit**.

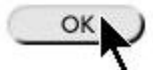

11 Click **OK**.

Survey Options Modified

The survey options were successfully modified.

Tue Nov 04 14:36:49 MST 2003

12 Click **OK**.

Modify Survey

- ▶ [Modify the survey](#)
Modify the survey in the Survey Canvas
- ▶ [Modify the survey options](#)
Modify the survey options, such as availability and feedback

13 Click **OK** again, which will take you back to the **Control Panel**.
